

Manansala, Joshua N.
BSCS - C301

Finals Lab Task 5. Perform analytics in Power BI

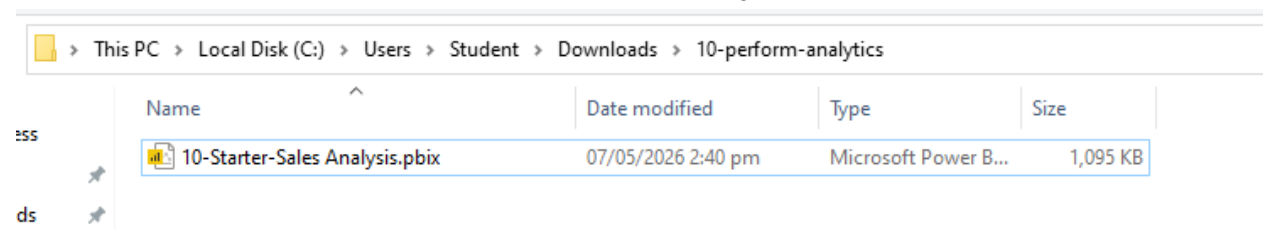

Overview:

In this lab, you'll create the Sales Exploration report.

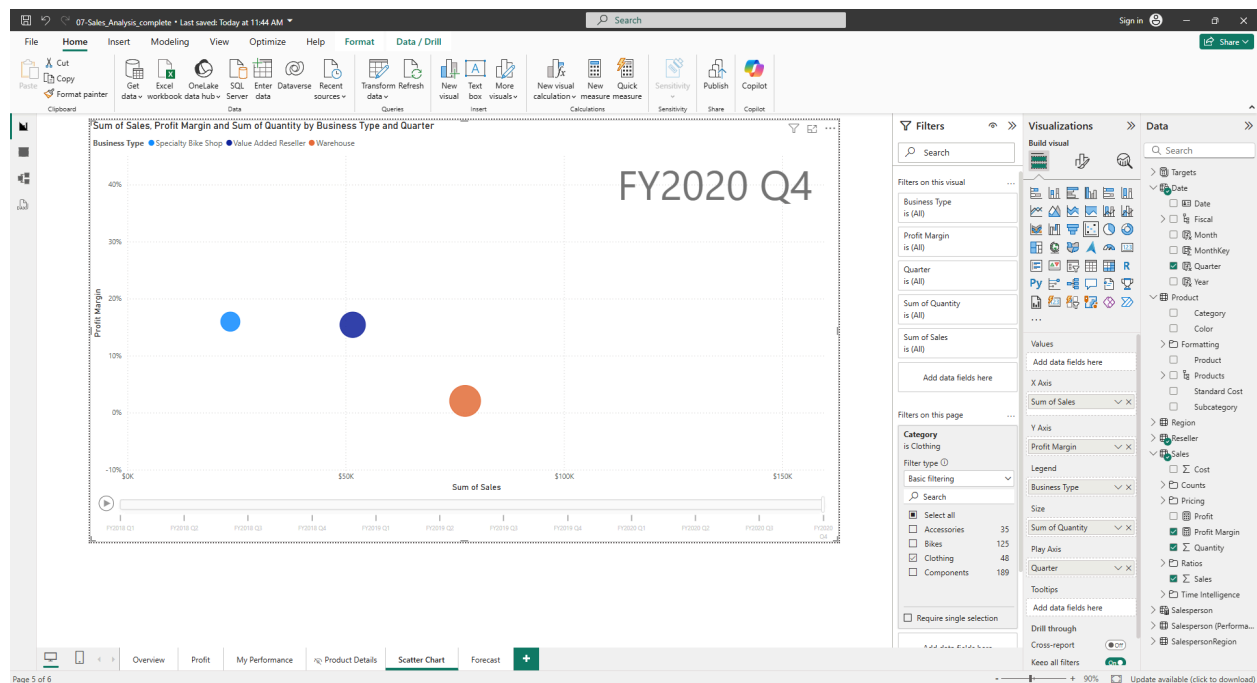

In this lab, you learn how to:

- Create animated scatter charts.
- Use a visual to forecast values.

1. C:\Users\Student\Downloads\10-perform-analytics

2. Scatter Chart Page

3. Forecast Page
